ergonomic office furniture solutions.

MAFFICK INTERIOR PRIVATE LIMITED

Our Chairman Mr. Fayaz Khan founded this Company in 1998 and has been running it successfully more than 25 years now. Over the years we have gained a long standing market in the furniture industry, purposed to go for expansion based on the high demand for our product line.

Our Mission

"At Maffick Interior Private limited, our mission is to transform houses into homes by crafting exceptional furniture that combines timeless design, superior craftsmanship, and sustainability.

Our mission extends beyond the products we create; it encompasses the experiences we provide. We are dedicated to exceptional customer service, ensuring that every interaction with our brand is a pleasant and memorable one. We believe in building lasting relationships with our customers, partners, and communities.

Our Vision

At Maffick Interior Private limited, our vision is to shape the future of furniture, where every piece is a testament to excellence, innovation, and sustainability. We are dedicated to inspiring a world where furniture transcends the ordinary and becomes an integral part of the human experience, enriching homes and spaces across the globe."
